Skill Set:

OS	Linux, Windows, Mac OS X
Programming	C, C++, Python, Ruby, PHP
	Javascript, ARM-assembly
Frameworks	Node.js, Ruby on Rails, Web2py, Backbone.js
Miscellaneous	Mysql, Vim, Git, Sublime Text, AWS, Openstack, Wireshark, OpenGL, Eclipse

Education

Bachelor of Technology | Computer Science and Engineering

2010-2014

International Institute of Information Technology-Hyderabad, India

GPA : 7.76 / 10

Coursework: Data Structures, Algorithms, Operating Systems, Advanced Computer Networks, Compilers, Information Retrieval, Database Systems, Data mining, Compilers, Parallel Programming, Principles of Programming languages, Structured system analysis and design

Senior Secondary | 12th Standard

2009-2010

Morning Star HS School, Ratlam, India

Marks: 90.8/100

Experience

Member of Technical Staff | Groupon, India

Jul 2014 - now

→ *Node.js, Backbone.js, Coffeescript, Mocha, A/B testing*

Working in Groupon Getaway's engineering team, to develop and maintain Getaways web application.

Intern | Groupon, India

Jun 2013 - Jul 2013

→ *Ruby on Rails, Backbone.js, Bootstrap, Coffeescript, Rspec, Jasmine*

Developed a centralized issue-ticket management web application for customer service. The app supports localization and is used over 40+ countries.

Intern | Aasaanpay Solutions, India

Mar 2013 - Apr 2013

→ AmazonAWS, Python, Infrastructure

Planned and set up PCI complaint payment infrastructure on cloud (AWS).

Teaching Assistant | IIIT-Hyderabad

Responsible for taking labs, tutorials and doubt-solving sessions. Helped in correction of exam papers and assignments.

- Computer Networks
- Information Technology Workshop
- Computer System Organization
- Structured Systems Analysis and Design

Dec 2013 - May 2014

Jul 2013 - Dec 2013

Dec 2012 - May 2013

Jul 2012 - Dec 2012

Cultural Secretary | IIIT-Hyderabad

Jul 2012- Jul 2013

- Spearheaded the team responsible for organising all the cultural events in IIIT-H.
- Student's contact point for anybody outside the university for cultural events, workshops, & competitions.

Projects

Study of Information leak using ICMP protocol

Mentor: Shatrunjay Rawat

→ C, Python, pthreads, BSD Sockets, Security

(Team size: 2)

This research project aims to study the vulnerabilities of ICMP protocol particularly its abuse to transfer data packets. Proposed solutions to mitigate the security loopholes associated.

Entity Based Opinion Mining from Blogs

Mentor: Vasudev Verma

→ Java, Sentiment Analysis, Opinion Mining, Entity Identification, Opinion Summary

(Team size: 3)

It attempts to identify objects being talked about in the blog and the opinion (sentiment) that the author expresses towards them which can further be summarized. The project is implementation of "Entity Centric Opinion Mining from Blogs" paper published in Coling-2012.

Compiler Optimization Phase Sequence Search Engine

Mentor: Suresh Purini

→ Python, GCC, llvm, Hill Climbing algorithm, Heuristic search

It aims to find out optimal compilation phase sequence for llvm and gcc compilers irrespective of input and the program. It performed at par with -O2 optimization sequence of gcc compiler.

Catchy

Self motivated

→ Node.js, Socket.io, Javascript, JQuery, HTML/CSS

This project aims to ease developers life by providing analysis tools for real time development logs.

Wikipedia Search Engine

Mentor: Vasudev Verma

→ C++, Python, Information extraction, Tokenization, Stemming, Tf-idf

Supports multilevel indexes and field queries. Index-size is $< 1/4^{th}$ and queries in $< 1s$ for 40Gb dataset.

Risk-assessment of loan applications using Classification

Mentor: Kamalakkar Karlapalem

→ Data mining, Classification, Weka, Python

Built a classifier model to categorize loan applications into different 'Loan Grades' based on its risk-factors.

Room Reservation Web Application

Mentor: Y Raghu Reddy

→ PHP, HTML/CSS, Javascript, Mysql

Built, deployed and now maintaining the web app for room booking in IIIT-H. In use for almost 3 years now.

Achievements

- Ranked in top-25 among 300+ teams consecutively for 3 years in ACM-ICPC, Asia Onsite Regionals.
- IIIT-Hyderabad *Dean's award* L-II and L-III for academic excellence. 2010-2011
- Special Commendation award for 'Promotion of Cultural and Sports activities' by IIIT-H.
- Rank 3316/1million in IIT-JEE and 2026/1.2million in AIEEE. 2010
- Our presentation 'BrainGain - Scheme for promoting research in India' was selected in top 100/1400 in CAG Manthan competition.

Extra-Curricular

- As 'Member of Apex Body, IIIT-H', mentored 180+ new students during their early stay in the college, helping them in studies, living, food related issues. 2012-2013
- As a 'Cultural Advisor, IIIT-H', provided consults on cultural activities in the university. 2013-2014
- Founded IIIT-H's Dance Club, choreographed and taught many dance sequences, participated in inter-college dance competitions and organized workshops. 2011-2013
- Participated and organized various technical workshops, conferences and hackathons like Google Devfests, JSFoo, geeklist, IIIT-H's Hackfest, etc.
- Represented divisional under-14 cricket team in State level cricket.
- Represented district's under-14 swimming team.
- Special interest in parkour, chess, drawing and painting.
